REASONS FOR THE PLACING AND USE OF PROCEEDS

As at 31 August 2016, the Group had unaudited cash and cash equivalent of approximately HK\$397 million, of which, approximately RMB49 million (equivalent to approximately HK\$57 million) is tied up in the PRC as investment capital which is not practical to transfer back to Hong Kong. The Directors consider that the Placing will strengthen the financial position of the Company and its subsidiaries. The Directors are of the view that the Placing is fair and reasonable and in the interests of Company and the Shareholders.

Assuming all the Placing Shares are successfully placed by the Placing Agent, the gross proceeds from the Placing will be approximately HK\$40,000,000. The net proceeds, after deducting the placing commission and other related expenses, will be approximately HK\$39,600,000 and will be applied towards appropriate acquisition and investment opportunities of the Group and the considerations thereof and general working capital of the Group.
